

2019 GOLD RUSH RUN ROUTE

This years Gold Rush Run takes you up to Jackson via Comanche Parkway South and Stoney Creek Road. Stoney Creek is legendary for its beauty – it first served gold miners. From Jackson we will pop over to Sutter Creek and then cruise down the “Irish Hills” via Sutter-Ione Road – a true motherlode treasure! Through Ione and over to historic Buena Vista, then a quick pop back to Comanche Parkway North and back towards Stockton via Clements Road – for 10 miles of super straight country roads! “Take me home, country roads, to the place I belong...” Once again, we will finish at John Jessup’s Dream Rides at 2275 N. Wilson Way for food, fun, music and awarding of prizes.
